It is illegal for your boss to fire you, threaten you, retaliate against you or treat you differently because:

1. You reported a violation of the law;
2. You are a healthcare worker and you reported a medical error;
3. You reported something that risks someone's health or safety;
4. You have refused to do something that will endanger your life or someone else's life and you have asked your employer to correct it; or
5. You have been involved in an investigation or hearing held by the government.

You are protected by this law ONLY if:
